Signal Word: Warning Hazard Statements: Cause skin irritation. Causes serious eye irritation. Harmful to aquatic life with long lasting effects.				Wear protective gloves/protective clothing/eye protection/face protection. Wash face and hands and an exposed skin after handling. Avoid release to the environment. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy t do. Continue rinsing. If eye irritation persists: Get Medical advice. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice. Dispose of contents/container to an approved waste disposal plant.

Section 10 - Stability and Reactivity												
Product is stable. Hazardous polymerization will not occur. It is incompatible with strong oxidizing agents. If burned normal combustion products such as Carbon Dioxide, Carbon Monoxide and Nitrous Oxides may occur.
