

Vacate

Product # 314

For long term residual control

This is a specially formulated, non-selective herbicide that offers total kill control over a wide variety of annual and perennial weeds and grasses. It also offers residual action, making it the perfect herbicide for long-lasting weed control or as a semi soil sterilant.

Non-Selective Herbicide With Long Term Residual control:

- Non-cropland areas
- Around buildings
- Industrial sites
- Railroad rights-of-way
- Loading ramps
- Parking lots
- Fence rows
- Storage yards
- Tanks farms

Features and Benefits

- Recommended for use only on non-cropland area
- Highly recommended for municipal weed control
- VOC Compliant
- Use to control annuals and perennials
- Long-lasting residual action, soil sterilant

Properties
